E. Qualifications

8. This opinion is subject to the following qualifications:
- 8.1. for the purposes of this opinion, we have assumed that the term “**non-assessable**” (a term which has no recognised meaning under the laws of the Republic of Singapore) in relation to the 2014 Plan Shares to be issued means that holders of such shares, having fully paid up all amounts due on such shares, or such shares having been credited as fully paid up, as the case may be, are under no further personal liability to make payments to the Company or its creditors or contribute to the assets or liabilities of the Company in their capacities purely as holders of such shares;
- 8.2. we are not responsible for, and have not investigated or verified, the accuracy or completeness of the facts and information, including any statements of foreign law, or the reasonableness of any assumptions, statements of opinion or intention, contained in the documents referred to in paragraph 4 of this opinion. We do not express any opinion as to any matters of fact generally, including statements of foreign law, or the reasonableness of any assumptions or statements of opinion or intention, contained in the documents described in paragraph 4. In addition, we are not responsible for investigating or verifying whether any material fact has been omitted from such documents;
- 8.3. we express no opinion as to the validity, binding effect or enforceability of any provision in the 2014 Plan, the individual grants or, where applicable, the 2014 Plan Shares by reference to a law other than that of the Republic of Singapore, or as to the availability in the Republic of Singapore of remedies which are available in other jurisdictions;
- 8.4. with respect to matters of fact material to this opinion, we have relied on the statements of the responsible officers of the Company;
- 8.5. we have only examined a copy of the Registration Statement and not the information or documents incorporated by reference to the Registration Statement (including, but without limitation, the Company’s registration statement on Form S-8 (File No. 333-208598) that was filed by the Company with, and declared effective by, the Commission on 17 December 2015 and such information or documents incorporated by reference to such registration statement); and
- 8.6. this opinion is strictly limited to matters stated in this opinion and is not to be construed as extending (by implication or otherwise) to the documents listed in paragraph 4 of this opinion, or to any other matter or document in connection with, referred to, contemplated by or incorporated by reference, in such documents.
